REPORT NARRATIVE

SYNOPSIS:

On 07/20/17, Gabriel Castillo was arrested for a felony warrant at the Jack-in-the-Box at 890 Palm Avenue, in the City of Imperial Beach. Force was used to take Castillo into custody. Imperial Beach Fire Department arrived on scene and medically evaluated Castillo for complaints of pain to his shoulder and knee. A search incident to arrest resulted in a white crystalline substance, a brown tar like substance, a green leafy substance, drug related paraphernalia, and Clonazepam pills being located in a fanny pack that Castillo was wearing around his waist. Castillo was charged with 11378 Health&Safety(HS), 11377(a)HS, 11350(a)HS and 148(a)(1)Penal Code(PC). Castillo was transported to the Imperial Beach Station for processing. The warrant abstract was confirmed to the Imperial Beach Station. (Warrant #SCS281835) Castillo was then transported to Sharp Coronado for medical clearance. Castillo suffered an abrasion to his right shoulder and a fractured clavicle bone. Castillo was then transported to SDCJ where he was booked without incident.

(b)(5)(B) and (b)(5)(B) were contacted with Castillo at that location. (b)(5)(B) was in possession of a cylinder glass pipe with a bulbous end commonly used to smoke methamphetamines. (b)(5)(B) was cited for 11364HS and released with his promise to appear.

On 07/20/17, at about 1357 hours, I responded to assist Detective Fox who was about to contact a known felony warrant subject at 890 Palm Avenue in the City of Imperial Beach. (CAD E4300146)

BACKGROUND INFORMATION:

WARRANT #: SCS281835

ISSUE DATE: 03/03/17

COURT: San Diego Superior Court Dept. 016

ISSUING JUDGE: Bruce-Lyle, Desiree A

CHARGE: 11379(a) H&S

INVESTIGATION:

I arrived on scene and observed a male that was later identified as Gabriel Castillo pulling away from Detective Fox. I then observed Detective Fox take Castillo to the ground and Castillo attempted to get off the ground and refused to put his hands behind his back. I ran over and grabbed Castillo's left arm which had a handcuff on it. Castillo continued to try and get off the ground and refused to put his right hand behind his back. Based on the fact that Castillo tried to get up I placed my left knee on his shoulder and head to prevent him from getting up. I told Castillo to put his hands behind his back. Detectives Fox and Morse were able to place handcuffs on Castillo. The amount of force used was necessary and reasonable to affect the arrest of Castillo and prevent him from escaping. If force was not used Castillo could have escaped causing a foot pursuit which could have led to an injury to a Deputy or an injury to Castillo. Castillo suffered an abrasion to his right shoulder. I removed a "fanny pack" from Castillo's waist during the use of force. Refer to Detectives Fox and Morse's Deputy's Reports. Patrol Sergeant Gurrola was notified of the use of force.

A record check showed that Castillo had an active no bail felony warrant (SDS281835) (b)(5)(C) that was issued on 3/3/17. Castillo is currently on AB 109 parole and has an active 4th Amendment waiver. I arrested Castillo for the felony warrant. During a search of Castillo's property I located the following items in the "fanny pack."

- * 1 bag containing methamphetamine, which tested presumptive positive for methamphetamine and had a field net weight of 1 Gram.
 - * Loose methamphetamine that tested presumptive positive for methamphetamine and had a field net weight of .1 grams
 - * 1 bag containing of heroin that test presumptive positive for heroin and had a field net weight of 2.88 grams gross net weight.
 - * 5 hypodermic needles
 - * A metal spoon, commonly used for heating up heroin
 - * 26 ½ amount of pills, later identified via Drugs.com as 1 mg Clonazepam, which is classified as Schedule IV.
 - * Marijuana that tested presumptive for marijuana and had a field net weight of 4.9 grams.
- A knife that had a dark, sticky residue was located in Castillo's pants pocket. This is commonly used in conjunction with heroin.

(b)(5)(B) and (b)(5)(B) were contacted at 890 Palm Avenue with Castillo. Both were cooperative during the incident. Castillo had property on the table where he was sitting when he was contacted. During a search of the property on the table a cylinder glass pipe with a bulbous end commonly used to smoke methamphetamines was located on the table. (b)(5)(B) told Deputies that the pipe belonged to him. (b)(5)(B) was issued a citation for 11364HS and was released on his promise to appear. (Cite# 871348) (b)(5)(B) was also released from the scene.

Paramedics arrived on scene and evaluated Castillo because he was complaining of pain to his shoulder. Castillo was cleared at the scene by the Imperial Beach Fire Department. I arrested Castillo for his Felony warrant, 11378 H&S, 11377 (a) H&S, 11350 (a) H&S, 148 (a) (1) PC and he was transported to the Imperial Beach Station for processing. I tested and weighed all the evidence at the Imperial Beach Station. It was later placed into evidence at the Imperial Beach Station. Castillo continued to complain of pain to his shoulder. The Imperial Beach Fire Department again arrived to evaluate Castillo. IBFD advised to have Castillo taken to the hospital for an evaluation.

Detective Fox transported Castillo Sharp Coronado to be medically evaluated. Castillo was treated for a fractured clavicle bone. Castillo provided a statement to Detective Fox there. Refer to Detective Fox's Deputy's report. Detective Fox then transported Castillo to San Diego Central Jail where Castillo was booked without incident.

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. REPORT NARRATIVE

Origin:

On 7/20/17, at about 1352 hours, I was in full Sheriff's uniform driving a marked Sheriff's patrol vehicle. As I was driving in the area of 9th and Palm Avenue, I noticed Gabriel Castillo, a known individual with a felony warrant was contacted at the Jack and the Box located at 890 Palm Avenue, in the City of Imperial Beach.

Deputy's observations and actions:

I advised other Imperial Beach Detectives that I observed an individual matching the description of Gabriel Castillo, a known heroin addict and felony warrant subject near the Jack and the Box located at 890 Palm Avenue in Imperial Beach. Castillo has previously run from Deputies before and has been bitten by a Sheriff's K-9.

Detective Neumann and Detective Morse arrived and observed Castillo riding a bicycle around the parking lot. They witnessed Castillo meet up with two Hispanic male adults, one of which they recognized as (b)(5)(B) from a previous arrest. The other individual was later identified a (b)(5)(B) on, (b)(5)(B) is a known heroin addict who has recently been released on AB109 and he was seen wearing an ankle monitor.

Multiple units were coordinated into the area in order to contact the subjects. I approached Castillo, who was talking with (b)(5)(B) and (b)(5)(B) at the picnic tables on the east side of the restaurant.

I approached the group and told Castillo to place his hands behind his back. Castillo initially complied and grasped Castillo's hands. When I placed one handcuff on Castillo's left hand, Castillo started to pull his hands away. I told Castillo to "knock it off" and "stop trying to pull away." Castillo then pulled his right hand out of my grasp and turned his body to the right and attempted to get away. I placed both of his hands on Castillo's bicep/shoulder area to prevent him from getting away and told him to "stop" numerous times. Castillo did not follow my commands and continued to attempt to escape. I used his body weight and took Castillo to the ground. On the way to the ground, Castillo landed on the right side of his body and I landed on top of Castillo.

While on the ground, Castillo continued to struggle and would not remove his right hand from under his body. I had to forcefully pull Castillo's hand out from under his body in order to handcuff Castillo. During this time, Detective Morse and Deputy Girard assisted in restraining Castillo in order to detain him. Castillo was handcuffed and placed in the back of a patrol vehicle.

The amount of force used was necessary and reasonable to affect the arrest of Castillo and prevent him from escaping. If force was not used Castillo could have escaped causing a foot pursuit which could have led to an injury to a Deputy or an injury to Castillo.

A record check showed that Castillo had an active no bail felony warrant (SDS281835) (b)(5)(C) that was issued on 3/3/17. Castillo is currently on AB 109 parole and has an active 4th Amendment waiver. After Castillo was arrested, we removed a "fanny pack" from his waist. During a search, incident to arrest of the fanny pack, Deputy Girard located the following items:

- * 1 bag containing methamphetamine, which tested presumptive positive for methamphetamine and had a field net weight of 1 Gram.
- * Loose methamphetamine that tested presumptive positive for methamphetamine and had a field net weight of .1 grams
- * 1 bag containing of heroin that test presumptive positive for heroin and had a field net weight of 2.88 grams gross net weight.
- * 5 hypodermic needles
- * A metal spoon, commonly used for heating up heroin
- * 26 ½ amount of pills, later identified via Drugs.com as 1 mg Clonazepam, which is classified as Schedule IV.
- * Marijuana that tested presumptive for marijuana and had a field net weight of 4.9 grams.

A knife that had a dark, sticky residue was located in Castillo's pants pocket. This is commonly used in conjunction with heroin.

Paramedics arrived on scene and evaluated Castillo because he was complaining of pain to his shoulder. Castillo was cleared at the scene by the Imperial Beach Fire Department. Deputy Girard arrested Castillo for his Felony warrant, 11378 H&S, 11377 (a) H&S, 11350 (a) H&S, 148 (a) (1) PC and he was transported to the Imperial Beach Fire Department for processing. Castillo continued to complain of pain to his shoulder. The Imperial Beach Fire Department again arrived to evaluate Castillo. IBFD advised to have Castillo taken to the hospital for an evaluation.

I transported Castillo to Sharp Coronado for evaluation. While at the hospital, I read Castillo his Miranda Rights, per my Deputy's notebook. Castillo said "Yes" he understood his rights and "Yeah" he was willing to talk to me. I received the following statement:

Statement of Gabriel Castillo:

Castillo said that he was sitting outside of the Jack in the Box and he saw me get out of a marked patrol vehicle. Castillo said that he was aware that he has an active warrant for his arrest. Castillo said that when he was contacted and the handcuffs were about to be placed on him he got nervous because other detectives were coming around.

Castillo said that he was pulling his arm and tried to run in order to get away. Castillo did not think he would be able to get away, but he "just kind of freaked out. Sorry." Castillo said that he was doing good with his rehab, but was kicked out of his drug program and had a relapse. Castillo said that the meth, heroin and pills located in his fannie pack belonged to him and

that they were for personal use only. Castillo denied trying to sell any of the meth, heroin or pills. Castillo said that he used the pills in order to get clean.

Castillo said that the phone we contacted him with belonged to him. Castillo said that there was not anything illegal on his phone and gave us permission to download and look through his phone.

Investigation Cont:

Castillo received X-Rays that revealed a fractured clavical bone. I told Castillo that I would like him to sign a medical release form. Castillo agreed and signed the medical release form. Castillo was cleared from the hospital and was transported and booked into SDCJ.

At the station, we later downloaded Castillo's phone and placed the data into evidence at the Imperial Beach station.

REPORT NARRATIVE**Synopsis:**

On 7/20/17, at about 1359 hours, Gabriel Castillo, a known individual with a felony warrant was contacted at the Jack and the Box located at 890 Palm Avenue, in the City of Imperial Beach. Force was used to affect the arrest of Castillo and prevent his attempted escape. Castillo was arrested for his felony warrant along with additional narcotics violations.

Deputy's Observations and Actions:

On 7/20/17, at about 1359 hours, Detective Fox advised Detective Neumann (2422) and I that he observed an individual matching the description of Gabriel Castillo, a known heroin addict and felony warrant subject near the Jack and the Box located at 890 Palm Avenue in Imperial Beach. Detective Neumann and I arrived and observed Castillo riding a bicycle around the parking lot. We witnessed Castillo meet up with two Hispanic male adults, one of which we recognized as (b)(5)(B) from a previous arrest. The other individual was later identified as (b)(5)(B) son, (b)(5)(B). (b)(5)(B) is a known heroin addict who has recently been released on AB109 and he was seen wearing an ankle monitor.

Multiple units were coordinated into the area and the three individuals were contacted as they were standing at the outdoor tables located on the east side of the Jack and the Box restaurant. Detective Fox contacted Castillo, Detective Neumann and I contacted (b)(5)(B) while Deputy Knece (6221) contacted (b)(5)(B). As I was attempting to handcuff (b)(5)(B) I saw Castillo begin to try and get away from Detective Fox as he was placing handcuffs on him. I could see Detective Fox had one hand handcuffed and Castillo was struggling to break free of Detective Fox's grasp. I handed off (b)(5)(B) to Detective Neumann and went to assist Detective Fox. As I neared Detective Fox both Castillo and Detective Fox went to the ground with Detective Fox ending up on top of Castillo. I was able to get ahold of Castillo's right arm that he was holding underneath his body. I pulled Castillo's arm out from under him and he was handcuffed.

The amount of force used was necessary and reasonable to affect the arrest of Castillo and prevent him from escaping. Castillo has run from Deputies before and has been bitten by a Sheriff's K-9. If force was not used Castillo could have

escaped causing a foot pursuit which could have led to an injury to a Deputy or an injury to Castillo. Paramedics arrived on scene and evaluated Castillo but I was dealing with (b)(5)(B) and (b)(5)(B) at the time. I was told by other Deputies that Castillo was complaining of pain to his shoulder. Castillo was arrested by Deputy Girard (1210) for his felony warrant and for narcotics violations. Both (b)(5)(B) and (b)(5)(B) were cooperative during the incident. No force was used on either individual. (b)(5)(B) was released from the scene after Detective Neumann spoke to Probation and (b)(5)(B) was released on a citation for possession of a methamphetamine pipe. This concluded my part in this investigation.

Use of Force Supplemental

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

Lieutenant: Sign, list ARJIS number and date reviewed.

Captain: Sign, list ARJIS number and date reviewed.
